

## Disclosure To Learners:

**Title of activity:** Diabetes Care Essentials for School Nurses

**Activity Date:** January 29, 2026

**Activity location:** Zoom

**Activity description:** The essential knowledge and tools needed to support students living with Diabetes in school settings. Participants will receive the latest updates and best practices in diabetes care, enhancing their ability to manage students with diabetes confidently and effectively. The program also offers a valuable refresher on the daily management of diabetes within schools for nurses with some previous knowledge, reinforcing critical skills. In addition, it provides practical tools and strategies to guide the development and updating of Individualized Healthcare Plans (IHCPs) and Individualized Emergency Healthcare Plans (IEHCPs).

**Target audience:** Nurses, dietitians, and pharmacists.

In accordance with Joint Accreditation criteria and the ACCME's Standards for Integrity and Independence in Accredited Continuing Education, the Association of Diabetes Care & Education Specialists (ADCES) must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors/discussants/moderators) has disclosed all relevant financial relationships with any [ineligible companies](#) for the past 24 months.

Joint Accreditation/ACCME requires ADCES to identify and mitigate all relevant financial relationships with ineligible companies to ensure educational content is balanced, evidence-based, and free from bias. Disclosure information is provided to help learners recognize any relevant financial relationships and make their own informed judgments about the content. If you perceive any bias during the activity, please report it through the evaluation form.
